

COASTAL DAY AT THE LOUISIANA LEGISLATURE

2022

Join us throughout the day to hear about the state's coastal, climate and restoration priorities

RECEPTION

sponsored by

**Coastbuilders Coalition
& Restore the Mississippi
River Delta**

Crawfish and Craft Beer

4:30pm
Main Square, Water
Campus

"As we face increasingly intense storms and changing environmental factors in combination with the drastic rates of land loss we are already experiencing today, implementing projects that maximize sustainability and increase resiliency could not be more important. "

Chip Kline

Chair, Coastal Protection and
Restoration Authority
